

Fantastic Fusion Workshop Requirements

In this workshop you will create a totally original, exciting and vibrant quilt using simple fusing techniques with hand dyed or batik fabrics. Learn how to fuse fabrics and create a complex looking design easily with no sewing. The only sewing in this quilt is in the quilting, which will be done at home after the workshop and will further enhance your unique quilt

FABRIC REQUIREMENTS

Combinations of hand dyed or close weave fabrics, approximately 4.5m in total for a quilt approximately 150cm square. These can be small scraps or fat quarters.

Note: this quilt uses raw edge techniques so hand dyed or high thread count fabrics such as batiks are preferable because the dye penetrates the entire fabric. Most commercially printed fabrics have white cut edges as the pattern is only printed on the top of the fabric and this can be distracting with this technique

These requirements will make a quilt approximately 150cm square so adjust quantities for different sizes.

GENERAL REQUIREMENTS

- 3m fusible web such as Bondaweb/Vliesofix/WonderUnder, 90cm wide. If only narrow type is available adjust quantities accordingly. All fabric will be fused to the fusible web so if you are making a larger quilt you will need to adjust your quantities
- Rotary cutter with sharp (preferably new) blade, mat (at least 12") and ruler
- Sharp scissors – for paper and fabric
- Non-stick baking paper or applique mat, for example Goddess Sheet
- Optional but preferable – mini iron and ironing mat (at least 12" square). Some irons to be available in class but having your own will avoid delays
- Also optional but useful are the combination cutting mat/ironing pads

These will be required to finish the class and not needed at a one day workshop. If workshop is run for two days then you will need them

- 150cm (60") square of backing fabric or sized to match your quilt
- 130cm by 130cm (50" by 50") square of batting or sized to match your quilt

Hand dyed fabrics and Fusible web can be available in class if requested but advance notice is needed
